

Appendix C: List of Ministries Participating in the Review

The Adult Education Review engaged staff from various branches in different ministries as part of a working group. Throughout the review, members of this group contributed significantly to the success of the project. They provided guidance on which stakeholders to invite to the meetings, supplied information about the different program areas included in the review, and offered feedback on the numerous drafts of this report. Below is a list of participating branches and ministries.

Ministry of Citizenship and Immigration

- Accessibility Directorate of Ontario
- Citizenship Development Branch
- Seniors' Secretariat — Public Education and Awareness

Ministry of Community and Social Services

- Ontario Disability Support Program Branch
- Ontario Works Branch

Ministry of Education

- Field Services Branch
- French-Language Education and Educational Operations Division
- Secondary School Policy and Programs Branch

Ministry of Training, Colleges and Universities

- Colleges Branch
- Policy, Coordination, Research Branch
- Skills Investment Branch
- Workplace Training Branch

Office of Francophone Affairs

- Policy and Ministry Services Branch

Office of Native Affairs

- Ontario Native Affairs Secretariat

A representative from the Ministry of Community Safety and Correctional Services was consulted as part of the review.
