For any official purpose, the trustees’ association, district school board, union, or the Ministry of Labour - Collective Bargaining Information Services, should be contacted to obtain a copy of this collective agreement.
d) Eligibility and Allocation

A sick leave day/short term disability leave day will be allocated and paid in accordance with current Local practice.

Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

Permanent Employees

The allocations outlined in paragraphs b) and c) above will be provided on the first day of each fiscal year, or the first day of employment, subject to the exceptions below:

Where a permanent Employee is accessing sick leave and/or the short-term disability plan in a fiscal year and the absence continues into the following fiscal year for the same medical condition, the permanent Employee will continue to access any unused sick leave days or short-term disability days from the previous fiscal year’s allocation.

A new allocation will not be provided to the permanent Employee until s/he has returned to work and completed eleven (11) consecutive working days at their regular working hours. The permanent Employee’s new sick leave allocation will be eleven (11) days at 100%-wages. The permanent Employee will also be allocated one hundred and twenty (120) short term disability days payable at ninety percent (90%) of regular salary reduced by any paid sick days already taken in the current fiscal year.

If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation may be used in subsequent long term supply assignments, provided these occur within the same fiscal year. Employees employed in a Long Term Supply Assignment which is less than the ordinary period of employment for the position shall have their sick leave and short term disability allocations pro-rated accordingly.
Where the length of the long term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee’s working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee’s previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee’s obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under a LTD plan, is not entitled to benefits under a school board’s sick leave and short term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.
For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short term leave and disability plans.

g) Graduated Return to Work
Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short-term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short-term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee’s regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee’s wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,

This document reflects the central collective agreement terms settled on the date specified and are provided for information only. • and has no sick leave days and/ or short term disability days remaining from the previous year

The employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee’s hours of work increase during the graduated return to work, the employee’s sick leave will be adjusted in accordance with the new schedule. The Employee will also be allocated one hundred and twenty (120) short term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness
A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is required to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on a form prescribed by the Board.

Where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Benefit Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the Union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school Board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board’s choice at the Board’s expense.

In cases where the Employee’s failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days
The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

Contributions for OTPP Plan Members:

iii. When an employee/plan member is on short term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member’s regular pay.

iv. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short term sick leave provision and qualification for Long Term Disability (LTD)/Long Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short term disability leave will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short term disability leave.

This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.
Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short term disability leave.

When employees use any part of a short term disability leave day they may access their top up bank to top up their salary to 100%.

Re: Status Quo Central Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. The following language must, however, be aligned with current local provisions in order to reflect the provisions of the applicable 2012-2013 MOUs. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB

The following pregnancy/parental/SEB proposal is intended to reflect the current practice and is not intended to improve or reduce benefits.

Common Central Provisions

Maternity Benefits/SEB Plan

   a) A full-time and part-time permanent employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive [insert either (i) 100% salary through a Supplemental Employment Benefit (SEB) plan for a total of eight (8) weeks or (ii) local superior provision reflecting status quo] immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Plan (STLDP).

   b) Full-time and part-time permanent employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.

This document reflects the central collective agreement terms settled on the date specified and are provided for information only. Collective agreements for school board bargaining units subject to central bargaining include both centrally and locally negotiated terms. For any official purpose, the trustees’ association, district school board, union, or the Ministry of Labour - Collective Bargaining Information Services, should be contacted to obtain a copy of this collective agreement.
c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.

d) Full-time and part-time permanent employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.

e) Employees in term assignments shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.

f) The employee must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.

Employees not defined above have no entitlement to the benefits outlined in this article.

**Short Term Paid Leave Plans**

The parties agree that the issue of short term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5 days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

This document reflects the central collective agreement terms settled on the date specified and are provided for information only. Collective agreements for school board bargaining units subject to central bargaining include both centrally and locally negotiated terms. For any official purpose, the trustees’ association, district school board, union, or the Ministry of Labour - Collective Bargaining Information Services, should be contacted to obtain a copy of this collective agreement.
**WSIB TOP-UP**

Where a class of employees was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) months shall be included in the 2014-17 collective agreement.

Employees who were receiving WSIB top-up on September 1, 2012 shall have the cap of four (4) years and six (6) months reduced by the length of time for which the employee received WSIB top-up prior to September 1, 2012.

**RETIREMENT GRATUITIES**

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day.

The following language applies only to those employees eligible for the gratuity above."

**SICK LEAVE TO BRIDGE LONG TERM DISABILITY WAITING PERIOD**

Boards which have Long Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before
being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

RE: Scheduled Unpaid Leave Plan

The following Scheduled Unpaid Leave Plan (SULP) replaces the current Voluntary Leave of Absence program (VLAP) and is available to all permanent employees for the 2015-2016 and 2016-2017 school years. Employees approved for SULP days shall not be replaced.

For employees who work a 10-month year a school board will identify:
1) up to two (2) Professional Activity days in the 2015-2016 school year;
2) two (2) Professional Activity days in the 2016-2017 school year;
that will be made available for the purpose of the SULP.

For employees whose work year is greater than ten (10) months, a school board will designate days, subject to system and operational requirements, which will be available for the purpose of the SULP in each of the 2015-2016 and 2016-2017 school years. These employees will be eligible to apply for up to two (2) days leave in each of these years.

For the 2015-2016 school year, the available day(s) will be designated no later than thirty (30) days after central ratification. All interested employees will be required to apply, in writing, for the leave within ten (10) days of local ratification, or within ten (10) days from the date upon which the days are designated, whichever is later. For the 2016-2017 school year, the days will be designated by June 15, 2016. All interested employees will be required to apply, in writing, for leave for the 2016-2017 school year by no later than September 30, 2016. Approval of the SULP is subject to system and operational needs of the board and school. Approved leave days may not be cancelled or changed by the school board or the employee. Exceptions may be considered with mutual consent. Half day leaves may be approved, subject to the system and operational needs of the board and school.

For employees enrolled in the OMERS pension, the employer will deduct the employee and employer portion of pension premiums for the unpaid days and will remit same to OMERS.

ii) The government/employer will be obligated to match these contributions;

iii) The exact plan amendments required to implement this change will be developed in collaboration with the OTPP and the co-sponsors of the OTPP (OTF and the Minister of Education); and

(HRIS) information noted in Appendix A within one (1) month of notification from the Trustees, in the format specified by the Trustees.

3.0.0 FUNDING

3.1.0 Start-Up Costs

3.1.1 The Government of Ontario will provide:
   a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve ("CFR"). The amount shall be paid to the Trust on or before September 1, 2016.
   b. A one-time contribution of 2.6% of annual benefit costs (estimated to be approximately $325,000), to cover start-up costs and/or reserves.

3.1.2 The one-time contributions in 3.1.1 (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier’s most recent yearly statement for the year ending no later than August 31, 2015. The statements are to be provided to the Ministry of Education.

3.1.3 The Crown shall pay $160,000 of the startup costs referred to in s. 3.1.1 (b) on the date of ratification of the central agreement and shall pay a further $160,000 subject to the maximum amount referred to in s. 3.1.1 (b) by June 1, 2016. The balance of the payments, if required under s. 3.1.1 (b), shall be paid by the Crown on the day the Trust becomes effective. The funds shall be transferred as instructed by EWAO-ATEO subject to the province’s transfer payment and accountability requirements.

3.2.0 On-Going Funding

3.2.1 On the day the Board commences participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee’s pro rata share based on the amount of the employee’s co-share payment of each benefit. The remaining portion of the Board’s surplus will be retained by the Board.

3.2.2 Where there are active grievances related to surpluses, deposits and/or reserves, the amount in dispute shall be internally restricted by the Board until the grievance is settled.

3.2.3 All Board reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.

3.2.4 Upon release of each Board’s IBNR and CFR by the carriers, the reserves will be retained by the applicable Board. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Board’s annual benefit cost will be deemed to be a CFR and IBNR and

will be retained by the applicable Board upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Board and the Trust based on the employers’ and employees’ premium share.

3.2.5 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
   a) If available, the paid premiums or contributions or claims costs of each group; or
   b) Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

The methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

3.2.6 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.

3.2.7 In order to ensure the fiscal sustainability of said benefit plans, the Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties’ understanding that the Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

3.2.8 The Trust shall retain rights to the data and the copy of the software systems.

3.2.9 For the current term, the Boards agree to contribute funds to support the Trust as follows:
   a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees’ Participation Date in the Trust.
   b. By January 31, 2016 for Board-owned defined benefit plans, the Boards will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
      i) “Total cost” means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting, auditing and advisory fees and all other costs and taxes, as reported on the insurance carrier’s most recent yearly statement, and if any, premium costs on other district school area board, for the year ending no later than August 31, 2015. The average number of Full-Time Equivalent (FTE) positions in the
bargaining unit as at October 31st and March 31st for the period
consistent with this clause.

ii) For purposes of i) above, the FTE positions will be those
consistent with Appendix H of the Education Finance Information
System (EFIS) for job classifications that are eligible for benefits.

c. All amounts determined in this Article 3 shall be subject to a due diligence
review by EWAO-ATEO. The Boards shall cooperate fully with the review, and
provide, or direct their carriers or other agents to provide, all data requested
by EWAO-ATEO. If any amount cannot be agreed between EWAO-ATEO and
a Board, the parties to this agreement shall make every effort, in good faith,
to resolve the issue using the data provided, supporting information that can
be obtained and reasonable inferences on the data and information. If no
resolution to the issue can be achieved, it shall be subject to the Central
Dispute Resolution process.

i) In order that each party be satisfied that the terms of this LoA provide
a satisfactory basis to deliver benefits in the future, each party
reserves the right to conduct a thorough due diligence with respect to
existing benefit arrangements (including benefit terms, eligibility
terms, FTE positions in the bargaining unit, historic costs and trends).
Prior to May 1, 2016 if either EWAO-ATEO or the CTA concludes, in
good faith, following its due diligence review, that the terms of the
LoA do not provide a satisfactory basis for the provision of benefits,
then either EWAO-ATEO or the CTA may declare this LoA to be null
and void, in which case no Participation Dates for any Boards shall be
triggered and the benefits related provisions of all local agreements,
as they were before the adoption of this LoA, shall remain in full force
and effect.

ii) Prior to September 1, 2016, on any material matter, relating to Article
3.2.10, EWAO-ATEO or the CTA can deem this Letter of
Understanding to be null and void. No Participation Dates for any
Board shall be triggered and the benefits related provisions of all local
agreements, as they were before the adoption of this Letter of
Understanding, shall remain in full force and effect.

d. On the participation date, for defined benefit plans, the Boards will
contribute to the Trust the amount determined in s. 3.2.9 (b) plus 4% for
2015-16 and 4% for 2016-17.

e. On the participation date, for defined contribution plans, the Boards will
contribute to the Trust, the FTE amount indicated in the collective
agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-
17.

This document reflects the central collective agreement terms settled on the date specified and are provided for information only. Collective agreements for school board bargaining units subject to central bargaining include both centrally and locally negotiated terms. f. An amount of $300 per FTE, in addition to 3.2.9 (d) and 3.2.9 (e) will be added to the base funding in 2016-17.

g. With respect to 3.2.9 (d) and 3.2.9 (e) above, the contributions provided by the Boards will include the employees’ share of the benefit cost as specified by the Board’s collective agreement until such time that the employees’ share is adjusted as determined by the Trust and subject to the funding policy.

h. The terms and conditions of any existing Employee Assistance Program/Employee Family Assistance Program and Long Term Disability Plan shall remain the responsibility of the respective Board and not the Trust maintaining current employer and employee co-share where they exist. The Board shall maintain its contribution to all statutory benefits as required by legislation (including but not limited to Canada Pension Plan, Employment Insurance, Employer Health Tax, etc.).

i. The FTE used to determine the Board’s benefits contributions will be based on the average of the Board’s FTE as of October 31st and March 31st of each year.

j. Funding previously paid under 3.2.9 (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.

k. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and EWAO-ATEO.

l. As of the day that a Board commences participation in the Trust, the Board will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 3.2.1 (b), (d), (e) and (f) to the Plan’s Administrator on or before the last day of each month.

m. The Trust will provide the necessary information needed by Boards to perform their administrative duties required to support the Trust in a timely and successful manner.

n. The Boards shall deduct premiums as and when required by the Trustees of the Education Sector ELHT from each member’s pay on account of the benefit plan(s) and remit them as and when required by the Trustees to the Trust Plan Administrator of the Education Sector ELHT with supporting documentation as required by the Trustees.

o. Funding for retirees shall be provided based on the costs or premiums in 2014-15 associated with those retirees described in 2.1.2 and 2.1.3 plus 4% in 2015-16 and 4% in 2016-17. Employer and employee co-shares will remain status quo per local collective agreements in place as of August 31, 2014 or per existing benefit plan provisions.

p. Some EWAO-AETO members currently contribute to the payment of employee benefits at varying levels in accordance with local collective agreements, generally referred to as “Co-Pay”. This amount is often expressed as a percentage of premiums. Should the Trust choose to reduce or eliminate the “Co-Pay”, the Crown will provide funding equivalent to the reduction of the “Co-Pay” amount. The reduction to the percentage of premium, if any, will be converted to a per FTE amount based on the 2014-15 premiums. This election must be made by the last board’s participation date.
