INTRODUCTION

Regulations Pertaining to the Register

Maintenance of the Register

Subsection 265(1)(c) of the Education Act states that it is the duty of a principal of a school, in addition to his or her duties as a teacher, “to register the pupils and to ensure that the attendance of pupils for every school day is recorded either in the register supplied by the Minister in accordance with the instructions contained therein or in such other manner as is approved by the Minister.”

Retention of Pupil Enrolment Records

The Ministry of Education requires that, for audit purposes, the printed-out copies of the current year’s year-end register for full-time, half-time, and part-time pupils and the previous year’s year-end register be retained. Retention beyond that minimum period is to be carried out in accordance with the school board’s record management program, as specified in paragraph 38 of subsection 171(1) of the Education Act. The ministry also requires schools to retain, for audit purposes, various additional documents (listed below and on page 6) for the current school year and the previous school year.

The following charts contain a summary of *all documents* that must be retained for the *current* school year and the *previous* school year.

Electronic Records
<p>Elementary and Secondary Schools</p> <ul style="list-style-type: none">• the year-end register for full-time, half-time, and part-time pupils• Daily Attendance Records for pupils• the Daily Absence Report (Daily Telephone Contact List)• the report on pupil absences of 15 or more consecutive days <p>Secondary Schools Only</p> <ul style="list-style-type: none">• pupil course timetables that were in effect on the last school day of October and March• the period-by-period attendance check for all pupils in the school• where applicable, the <i>Independent Study and e-Learning Register for Day School Pupils</i>

Paper Records

Elementary and Secondary Schools

- a printout of the year-end register for full-time, half-time, and part-time pupils
- signed and dated forms authorizing pupil admission, transfer, and retirement*
- date-stamped letters or e-mail from other schools requesting Ontario Student Records
- for pupils with prolonged absences (i.e., of 15 or more consecutive days), attendance counsellors' reports or medical documentation
- written requests from a parent or legal guardian, or from the pupil where the pupil is an adult, to temporarily excuse a pupil from school (e.g., for an extended vacation)
- pupil suspension and expulsion letters
- the school bell schedule

Secondary Schools Only

- signed and dated forms authorizing pupils to add or withdraw from courses*
- school course calendars
- where applicable, the *Independent Study and e-Learning Register for Day School Pupils*

*These forms should be signed by the school principal or by a school staff member designated by the principal.

Collection of Data

Authorization for the collection of the information required in the register is found in subsection 8.1 (8) of the Education Act. This information is required for administrative purposes. Anyone needing additional information regarding the collection of this information should contact the Freedom of Information and Privacy Office of the Ministry of Education.

General Requirements

The principal must ensure that a system is in place to provide school staff with all the appropriate information about each pupil that is required in keeping the enrolment register and attendance records. The principal is responsible for ensuring that enrolment and attendance records are accurate and up to date.

The enrolment register is composed of two sections – *Enrolment Details records* and *Enrolment Summaries*. Both of these sections must be printed out at the end of the school year and retained for audit purposes. See Appendix A for samples of Enrolment Details records and Enrolment Summaries.

The following documentation is also required:

- *The Daily Attendance Record for each pupil*. See Appendix B for a sample showing the content and format of a Daily Attendance Record.
- *The Daily Absence Report (Daily Telephone Contact List) for the school*. This report will include information on the contacts that school staff have made or attempted to make with absent pupils or their parents. Such information will include the explanations obtained for the pupils' absence.
- *The school bell schedule*. The bell schedule will indicate the duration of all periods of instruction and lunch periods, and must also clearly show standard travel time between classes. The configuration of the software program that is used to determine pupils' status as full-time or part-time must match the configuration of the school bell schedule in number of periods and period length.
- *The period-by-period attendance check for all the pupils in a secondary school*

The principal will ensure that all teachers of pupils whose enrolment is recorded in the day school register are regular day school teachers employed by the board or occasional teachers employed by the board to teach as substitutes for teachers who are members of the board's regular day school teaching staff.

The principal must ensure that any fees charged to pupils for learning materials and activities are in accordance with board policy developed in response to the ministry's memorandum "Guideline for Fees for Learning Materials and Activities" (No. 2011:B02, March 25, 2011).

Determining Pupils' Enrolment Status

In the definitions given below, a pupil “registered for classroom instruction” means a pupil who is enrolled for classroom instruction and who is attending classes regularly. The amount of time specified for classroom instruction in each case is the average amount of time in the school cycle that is allocated in the pupil’s timetable to the classes that the pupil is expected to attend.

Elementary Pupils

The principal will ensure that a system is in place to determine whether a pupil is to be enrolled as a full-time pupil, a half-time pupil, or a part-time pupil.

<p><i>Full-time pupil</i></p> <ul style="list-style-type: none">• a pupil, other than a Kindergarten or Junior Kindergarten pupil, who is registered for classroom instruction for an average of 210 minutes or more per school day• a pupil age 14–17 who has a Supervised Alternative Learning Plan (SALP) that provides for an average of at least 70 minutes of classroom instruction per school day• a pupil who is 6 years of age or over as of December 31, 2011, and who receives an average of 210 minutes or more of classroom instruction per school day, but who has not been placed in Grade 1 and is enrolled instead in a Kindergarten or Junior Kindergarten class• a pupil, other than a pupil enrolled in Kindergarten or Junior Kindergarten, who is participating in an Intensive Behavioural Intervention program, regardless of the amount of classroom instructional time for which he or she is registered
<p><i>Half-time pupil</i></p> <ul style="list-style-type: none">• a Kindergarten or Junior Kindergarten pupil, other than a pupil who is enrolled in a “combined” program (see “Part-time pupil” below), who is registered for classroom instruction for an average of 150 minutes or more per school day• a pupil age 14–17 who has a SALP that provides for an average of less than 70 minutes of classroom instruction per school day• a Kindergarten or Junior Kindergarten pupil who is participating in an Intensive Behavioural Intervention program
<p><i>Part-time pupil</i></p> <ul style="list-style-type: none">• a pupil, other than a Kindergarten or Junior Kindergarten pupil, who is registered for classroom instruction for an average of less than 210 minutes per school day• a Kindergarten or Junior Kindergarten pupil who is registered for classroom instruction for less than half-time• a Kindergarten or Junior Kindergarten pupil who is enrolled in a “combined” program, which is a program operated on a five-day cycle that provides 900 minutes of classroom instruction for pupils enrolled in Kindergarten and 600 minutes of classroom instruction for pupils enrolled in Junior Kindergarten

Secondary Pupils

The principal will ensure that a system is in place to determine whether a pupil is to be enrolled as a full-time pupil, a **half-time pupil**, or a part-time pupil, or as a pupil engaged in independent study (see “Independent Study” on page 10).

Full-time pupil

- a pupil who is registered for classroom instruction for an average of 210 minutes or more per school day in the school cycle
- **a pupil age 14–17 who has a Supervised Alternative Learning Plan (SALP) that provides for an average of at least 70 minutes of classroom instruction per school day**
- a pupil who is enrolled in a day school that has, in accordance with a calendar that has been approved by the Minister under Regulation 304 (“School Year Calendar”), a designated school year of twelve months and instructional days in each of those months, and in which the pupil is eligible to earn at least seven credits upon successfully completing the courses in which the pupil is enrolled in the school year
- a pupil who is participating in an Intensive Behavioural Intervention program, regardless of the amount of classroom instructional time for which he or she is registered

Half-time pupil

- **a pupil age 14–17 who has a SALP that provides for an average of less than 70 minutes of classroom instruction per school day**

Part-time pupil

- a pupil who is registered for classroom instruction for an average of less than 210 minutes per school day in the school cycle

The pupil’s timetable must be used to determine the number of minutes of classroom instruction. The timetable in effect on the last school day in October is to be used to determine whether a pupil is full-time or part-time for the October enrolment-count date, and the timetable in effect on the last school day in March is to be used to determine whether a pupil is full-time or part-time for the March enrolment-count date. Travel time between classes must not be included in the calculation of the amount of classroom instruction.

Time spent by pupils in dual credit courses, multi-subject instructional periods, non-credit courses with alternative expectations (that is, courses with a course code beginning with “K”), and credit recovery courses is recognized as classroom instructional time. However, time spent by pupils participating in the Prior Learning Assessment and Recognition (PLAR) process is *not* recognized as classroom instructional time.

The following are the only two instances in which minutes of classroom instruction are not used in determining full-time or part-time enrolment status:

- The pupil is taking the placement component of a cooperative education course. For details, see “Cooperative Education Courses” on page 19.
- The pupil **has an Individual Education Plan (IEP)** that includes an individualized study program that satisfies the following criteria:
 - Instructional activity in each subject is directed and guided by a qualified teacher of that subject.
 - Pupils are in regular attendance and have a timetable that specifies when they are to be in school. The full- or part-time status of the pupils is based on the number of minutes in their individual timetables.
 - The school has a system for taking attendance that accurately records and monitors the pupils’ attendance.
 - Courses are developed and offered in accordance with ministry curriculum policy documents.

Independent Study

A pupil doing “independent study” is not registered for classroom instruction, but takes credit courses that fulfil the ministry’s program and diploma requirements and meets with qualified teachers for scheduled times during the school day. It should be noted that a course for which a pupil is enrolled cannot be considered an independent study course if any portion of it consists of classroom instructional time that is also used to classify the pupil as either “full-time” or “part-time”.

Enrolment in non-classroom instruction offered through an independent study program must not be included in the enrolment register for elementary or secondary schools. The ministry’s *Independent Study and e-Learning Register for Day School Pupils*, or an appropriate computerized equivalent, must be used to record this enrolment. The *Independent Study and e-Learning Register for Day School Pupils* must not include any pupil whose enrolment is recorded as “full-time” in any publicly funded school.

The *Independent Study and e-Learning Register for Day School Pupils* is available on request from the ministry, or may be downloaded from the ministry’s website.

Home Schooling

Pupils who are excused from compulsory attendance because they are receiving satisfactory instruction *exclusively* at home (i.e., through home schooling) or elsewhere (e.g., at a private school) must not be recorded in the enrolment register. If, however, they are receiving some instruction provided by the school (classroom-delivered or independent study), this instructional time will be recognized for grant purposes. These pupils must be recorded in the day school register or in the *Independent Study and e-Learning Register for Day School Pupils* in accordance with the type of instruction provided. The attendance of a pupil who is recorded in the day school register will be recorded in a Daily Attendance Record.

Reporting in the Ontario School Information System (OnSIS)

Data on Enrolment-Count Dates

The full-time equivalent (FTE) reported for each pupil on the OnSIS School Enrolment screens for the ministry's enrolment-count dates – the last school day of October and March – must equal the FTE recorded for each pupil on these dates in the enrolment register.

Part-Time Pupils

Pupils recorded as part-time must be reported as part-time pupils in OnSIS. The FTE for each pupil must be included. The FTEs for Kindergarten and Junior Kindergarten pupils enrolled in a “combined” program are 0.60 and 0.40, respectively.

Pupils Enrolled in More Than One School

The FTE of a pupil enrolled in more than one school within the same board must be reported in OnSIS by the school where the pupil's Ontario Student Record (OSR) is kept. The FTEs of the pupil at each school are combined but may not exceed one FTE.

If a pupil – other than a pupil taking e-learning courses **or a pupil with a SALP** – is enrolled in schools operated by two different boards, each school will report the pupil's enrolment in OnSIS. The FTE reported by each school must be based on the number of minutes of classroom instruction that the pupil receives at that school. In some instances, the combined FTEs of the pupil may exceed 1.00. **The combined FTEs of a pupil with a SALP may not exceed 1.00.** For pupils taking e-learning courses, see “E-learning Courses” on page 19 for details.

Kindergarten and Junior Kindergarten pupils may not under normal circumstances be enrolled in schools operated by different boards. They may not, for example, attend a half-day program offered by one board in the morning and another half-day program offered by a different board in the afternoon. It is recommended that they be enrolled in the program offered at a school of the board whose school(s) they have the right to attend.

MAINTAINING THE REGISTER AND ATTENDANCE RECORDS

Admission

Enter a pupil's name in the register on the day on which the pupil actually begins to attend classes for the current school year. Although pupils' names from the previous school year may be stored in a school's computerized system for administrative purposes, a pupil's name must not be entered into the current register until the pupil actually begins to attend classes. Exceptions to this requirement are the following pupils, whose names may be entered in the register on the first day of school for the current school year:

- a pupil who is continuing in a **Supervised Alternative Learning (SAL)** program from the previous school year **with the formal approval of the board's SAL Committee**
- a pupil who is continuing to receive home instruction
- a pupil who was referred to an attendance counsellor in the previous school year and whose file is still active

In elementary schools, do not enter the names of pupils in Kindergarten and Junior Kindergarten classes with staggered admission dates in the register until the first day each pupil begins to attend classes.

The name of a pupil who is provided with academic assessment services by the board immediately prior to entering school may be entered in the register on the date that the assessment services began.

Along with the pupil's name, enter the pupil's Ontario Education Number (OEN), gender ("M" or "F"), and grade in Enrolment Details (see the sample on page 26).

Enter the date of admission as either an "internal admission" or an "external admission" (for examples, see page 26, Akoodie and Caruso). For internal and external admissions, any relevant information should also be recorded. Definitions of "internal admission" and "external admission" are provided on page 13.

Internal admission

- a pupil whose name was on the roll of the same school on the last day of the previous school year

External admission

- a pupil who enrolls for the first time at a school
- a pupil who re-enrolls at a school after having transferred or retired from that school

Late Admission

For pupils who are admitted after the first day of school, the reason for late admission should be recorded. For all late admissions, enter the date of admission in Enrolment Details under “internal admissions” or “external admissions”, as appropriate (see page 26, Hare and Christie). It should be noted that the date of readmission of pupils who re-enrol after having transferred or retired must be entered under “external admissions” (see page 26, Trent).

If a pupil is admitted to a classroom-delivered day school course or program after an enrolment-count date, his or her enrolment in that course or program cannot be recorded in the *Independent Study and e-Learning Register for Day School Pupils* or a continuing education register.

Pupils Who Are Not Pupils of the Board

Enter “OP” in the “OP” (“Other pupils”) column in Enrolment Details beside the names of pupils who are not pupils of the board (see page 26, Nichols). Also, indicate who is responsible for the payment of each pupil’s fee under the pupil’s name, and record any other relevant information on each pupil.

Adult Pupils

The principal will direct adult pupils – that is, pupils who are already twenty-one years of age or over or who will turn twenty-one on or before December 31, 2011 – either to the appropriate day school courses or to continuing education courses, in accordance with the school board’s policy on admission of adult pupils. The principal will ensure that the only adult pupils who are included in the secondary school register are those who are enrolled in day school courses that are taught by teachers who are members of the board’s regular staff and who are not continuing education teachers.

Enter “A” in the “Adult” column beside the names of pupils who are twenty-one years of age or over as of December 31, 2011 (see page 37, Ennis).

Transfer and Retirement

Enter the date of a pupil's internal transfer, external transfer, or retirement in Enrolment Details (for "internal transfer", see page 26, Urman; for "external transfer", see Nichols; for "retirement", see Baker). Definitions are provided in the charts below. Pupil transfers and retirements must be recorded in the register immediately. A pupil's destination will also be recorded.

Internal transfer

- a pupil whose name is taken off the roll of one organizational unit in a school and who becomes an internal admission in another organizational unit at the same school during the school year
- a pupil who was previously a full-time pupil but who has become a part-time pupil, or vice versa
- **a pupil age 14–17 who was previously a full-time pupil but who has become a half-time pupil, or vice versa**

External transfer

- a pupil who withdraws from a publicly funded school in Ontario and enrolls in another publicly funded school in Ontario
- a pupil who is transferred to an educational program in a care and treatment or correctional facility

Retirement

- a pupil who withdraws from a publicly funded school in Ontario and does not enrol in another publicly funded school in Ontario
- a secondary school pupil who leaves the school to take part in an approved educational exchange
- a pupil who has been expelled from school and who is not participating in a program for expelled pupils

Where a pupil transfers or retires from the school, the transfer or retirement date will be the day immediately following the last day of attendance. The only exception occurs when a pupil transfers from one school of a board just before an enrolment-count date (the last school day of October or March) but is not admitted to another school of the *same* board until just after the enrolment-count date, and, as a result, the pupil is not enrolled in either school on the count date. If the transfer and the admission each occur within fifteen school days of the enrolment-count date and if appropriate supporting documentation is kept, the external transfer date for this pupil for the sending school will be deemed to be the day immediately following the enrolment-count date.

Where the principal becomes aware that a pupil has transferred or retired from the school prior to an absence of fifteen consecutive school days, the transfer or retirement date will be the day immediately following the last day of attendance.

Daily Attendance Records

Use the following symbols to indicate attendance on each pupil's Daily Attendance Record.

	present all day (leave blank)
A	absent
L	late
G	general absence day
PA	professional activity day
N	non-instructional day
C	contact with pupil 14–17 years of age (absentee or in a SAL program)
H	statutory holiday
B	holiday designated by board

Indicate whether “A”, “L”, “G”, or “N” applies to the whole day or only to morning or afternoon (see the sample attendance record in Appendix B). For an explanation of the use of “A”, “G”, and “N”, see under “Absence”, “General Absence Days”, “Non-instructional Days”, and “Excused Pupils” (pages 15–17). **For explanations of the use of “C”, see under “Prolonged Absence” (pages 18–19) and “Supervised Alternative Learning (SAL)” (page 21).**

Absence

There are different types of absence, all of which are discussed in this section.

For a regular absence, enter “A” in a pupil’s Daily Attendance Record indicating “absent in morning”, “absent in afternoon”, or “absent all day”, as appropriate. Enter the reason in the Daily Absence Report (Daily Telephone Contact List) for the school.

It is the principal’s responsibility to ensure that the school contacts the parent(s) of a pupil – or the pupil, if the pupil is an adult – to find out why the pupil has not been in attendance. The school must retain a record of the contacts between the parent(s) or pupil and the school, including the written communication to and from the attendance counsellor, as well as medical documentation in cases of prolonged absences (fifteen or more consecutive school days).

Where a secondary school pupil has been absent for several consecutive school days without an acceptable explanation, it is recommended that this absence be reported to the vice-principal or principal.

If a pupil is absent from a scheduled examination, enter an “A” in the pupil’s Daily Attendance Record indicating “absent in morning”, “absent in afternoon”, or “absent all day”, as appropriate. Enter “absent from an examination” and the reason for missing the examination in the school Daily Absence Report (Daily Telephone Contact List).

Safe Arrivals

When regular attendance-taking in an elementary school shows that a pupil is absent and that his or her parent(s) have not informed the school of the absence, the principal, in accordance with policies established by the board on safe arrivals, should ensure that the school immediately contacts the parent(s) to find out if they are aware of the child’s absence.

General Absence Days (“G” Days)

Absence of All Pupils

Enter “G” for a general absence day in each pupil’s Daily Attendance Record, and enter the date and the reason in the record of “G” days for the school.

The following are examples of reasons for assigning a “G” day for all pupils:

- The school is closed under the Health Protection and Promotion Act.
- The day is a legally proclaimed municipal holiday.
- The day is a holy day.
- Bad weather (e.g., a snowstorm) has caused a breakdown in transportation arrangements or otherwise prevents the pupils from going to school, including pupils who are driven or who walk to school.
- The school heating plant breaks down or a similar emergency occurs.
- The school is closed for the day by the Lieutenant-Governor or the Minister.
- The school is closed because of a withdrawal of services by board employees.

Absence of an Individual Pupil

Enter “G” for a general absence day in the pupil’s Daily Attendance Record, and enter the reason in the Daily Absence Report (Daily Telephone Contact List) for the school. The following are examples of reasons for assigning a “G” day for an individual pupil:

- The day is a holy day for the pupil.
- The pupil is participating in **the non-academic component of a Supervised Alternative Learning (SAL) program in accordance with Ontario Regulation 374/10.**
- Bad weather (e.g., a snowstorm) has caused a breakdown in transportation arrangements or otherwise prevents the pupil from going to school, including a pupil who is driven or who walks to school.
- The pupil is receiving private instruction in music for up to a half day in any week.

- The pupil is serving in the Ontario Legislature as a legislative page.
- The pupil is a Kindergarten or Junior Kindergarten pupil who is excused from class during a period of staggered admission.
- The pupil is absent for reasons of safety during a period when services have been withdrawn by board employees.
- The pupil is participating in a short-term educational exchange program.
- The pupil is unable to attend school because of a public transit strike.
- The pupil is absent or excused, as authorized under the Education Act and/or regulations made under the act.
- The pupil is under suspension.

In the case of a suspension, the principal will ensure that appropriate documentation of the suspension is retained and that the appropriate school staff are given the names of all pupils who have been suspended.

Non-instructional Days (“N” Days)

Non-instructional, or “N”, days are days in the school calendar for which individual pupils are not scheduled for instruction. For the purpose of keeping cumulative attendance records, they are not regular days of absence, which are indicated with “A”, nor are they “G” days.

Enter “N” for the appropriate day(s) in a pupil’s Daily Attendance Record for such pupils as the following:

- pupils enrolled in Kindergarten or Junior Kindergarten programs who are scheduled to attend school only on alternate days
- part-time pupils who are not scheduled for classes on certain days in their school cycle
- pupils enrolled in Intensive Behavioural Intervention programs

Excused Pupils

In the case of a pupil who is unable to attend school for medical reasons, the pupil’s name will be retained in the register and appropriate medical documentation kept on file. A referral to an attendance counsellor is not required in this case.

Enter “G” for each day of absence for a pupil who has been temporarily excused from attendance at school.

In accordance with subsection 23(3) of Regulation 298, “Operation of Schools – General”, the principal will retain the letter in which the parents request that the pupil be excused or, if the pupil is an adult, the letter in which the pupil asks to be excused.

An elementary or a secondary school pupil who has been excused from school for fifteen or more consecutive school days in accordance with subsection 23(3) of Regulation 298 will be retired from the register on the day immediately following the last day of attendance if the school does not provide a program of study for the pupil. If the pupil is to be retired, follow the instructions for recording retirements that are given under "Transfer and Retirement" (page 14).

Prolonged Absence

If an elementary or a secondary school pupil has been absent for fifteen consecutive school days without appropriate supporting medical documentation, the pupil must be shown as a retirement in the register on the day immediately following the last day of attendance. Note that, for the purposes of this requirement, a school day is defined as the entire instructional program for elementary school pupils and all scheduled classes for secondary school pupils. Note also that a "G" day, an "N" day, or a "PA" (professional activity) day occurring within an otherwise unbroken series of fifteen days of absence does not break or add to the series.

However, a pupil of compulsory school age may remain in the register for sixteen to thirty consecutive days of absence, if the principal has referred the case in writing to the attendance counsellor on the pupil's sixteenth consecutive day of absence. If a pupil is to remain in the register for one or more subsequent fifteen-day periods, the principal must receive at the beginning of each subsequent fifteen-day period a report from the attendance counsellor indicating that the pupil's file is still active. Where, for any reason, the attendance counsellor does not submit a report or indicates that the pupil's file has become inactive, the pupil must be shown as a retirement on the day following the last fifteen-day period (e.g., the thirty-first day, the forty-sixth day).

A pupil who is fourteen to seventeen years old, who has an unexcused absence, and who has an active file may remain in the register for a maximum of sixty consecutive school days, after which time the pupil must be shown as a retirement in the register. During this sixty-day period, enter "C" in the pupil's Daily Attendance Record for each fifteen-day period that the attendance counsellor confirms that the file is still active. Each board is required to maintain a list of non-attending pupils who are fourteen to seventeen years old and who have been removed from the register of any of its schools; the school or board is expected to contact these youth at least once a semester to encourage them to return to school.

For a diagram summary of the procedures described above, see Appendix C.

If the principal or vice-principal indicates that a pupil with poor attendance is to be retired from the register, follow the instructions for recording retirements that are given under "Transfer and Retirement" (page 14).

The removal of a pupil's name from the register for absenteeism does not mean that the pupil need not attend school. Attendance for pupils of compulsory school age is required under the Education Act, and the principal must ensure that the attendance counsellor is advised of the removal of the names of all such pupils from the register.

Specific Programs

Cooperative Education Courses

These courses will be delivered in accordance with the ministry document entitled *Cooperative Education and Other Forms of Experiential Learning: Policies and Procedures for Ontario Secondary Schools, 2000*. The principal must ensure that the employer complies with the ministry's requirements for recording attendance.

Record the attendance of pupils in the placement component in the same way as classroom attendance.

The time spent in the placement component will be considered as minutes of classroom instruction and will be used for purposes of determining a pupil's full-time or part-time enrolment status. However, the maximum number of minutes per day in the school cycle that may be claimed for funding purposes for each cooperative education course (pre-placement, integration, and placement components) is limited to a total of 110 hours times the credit value of the course divided by the number of days in the school cycle.

E-learning Courses

Record enrolment in day school e-learning courses in the day school enrolment register in the same way as enrolment in courses delivered in the classroom.

Where a pupil participates in an e-learning course at any time during a week (Monday to Friday), the pupil will be marked present in the course for the entire week. Where a pupil does not participate in the course during a week (Monday to Friday), the pupil will be marked absent in the course for the entire week.

Where a pupil is taking an e-learning course, **the board where the pupil's OSR is kept (the home board)** must report the enrolment of the pupil in the e-learning course. Where a school of a board other than the home board is providing the instruction in the e-learning course, **the board providing the instruction may charge the home board a fee that is established by the ministry. This fee is posted annually on the e-Learning Ontario website, at www.edu.gov.on.ca/elearning/funding.html.**

Where a pupil declines to enrol in a school of the local district school board – usually a pupil receiving home schooling or attending a private school – the enrolment of that pupil in an e-learning course must be recorded in the *Independent Study and e-Learning Register for Day School Pupils* by the (out-of-district) school that is offering the e-learning course.

Home Instruction

If a pupil is unable to attend school for medical reasons, the principal may make a teacher available to provide the pupil with instruction at home or in hospital. Home instruction must be carried out in accordance with subsection 11(11) of Regulation 298.

Record the attendance of a pupil who is receiving home instruction as if he or she were attending classes at school. However, if only homework is provided by the school to help the pupil keep up with school work, this assistance is not home instruction, and the pupil must be recorded as absent for the days he or she is not in attendance.

Pupils enrolled in Grades 1 through 8 who are on home instruction will be recorded as “full-time” in the register. Kindergarten and Junior Kindergarten pupils will be recorded as “half-time”.

The FTE for a secondary school pupil will be determined on the basis of the number of courses the pupil is taking through home instruction on the October and March enrolment-count dates, as shown in the chart below.

School on a Semestered System	School on a Non-semestered System
<ul style="list-style-type: none"> • one course equals 0.25 FTE • two courses equal 0.50 FTE • three or more courses equal 1.00 FTE 	<ul style="list-style-type: none"> • one course equals 0.13 FTE • two courses equal 0.25 FTE • three courses equal 0.38 FTE • four courses equal 0.50 FTE • five courses equal 0.63 FTE • six or more courses equal 1.00 FTE

Where all of the conditions for independent study apply, the pupil’s instruction may instead be recorded in the *Independent Study and e-Learning Register for Day School Pupils*.

Supervised Alternative Learning (SAL)

A list must be maintained of all pupils participating in a **Supervised Alternative Learning (SAL)** program. The list must include the pupils' names and the date each pupil began to take part in the program. Where a pupil is participating in a SAL program in accordance with **Ontario Regulation 374/10**, the pupil **may** be recorded as "full-time" in the register, **if the pupil's Supervised Alternative Learning Plan (SALP) includes classroom instruction for an average of at least 70 minutes per school day. Otherwise, the pupil must be recorded as "half-time" in the register.**

For pupils who are participants in a **SAL program**, record their attendance in the Daily Attendance Record with a "G" for the period when they are participating in the **non-academic component of the SAL program. Contact with a pupil in a SAL program by the pupil's primary contact should be recorded monthly, at a minimum, and should be indicated in the pupil's Daily Attendance Record with a "C".**

If the principal or vice-principal indicates that a pupil in a **SAL program** is to be retired from the register, follow the instructions for recording retirements that are given under "Transfer and Retirement" (page 14).

Pupils in Educational Exchange Programs

Record the enrolment of pupils participating in educational exchange programs between school boards or other educational authorities, in accordance with clause 49(7)(a) of the Education Act, as follows:

- The pupil leaving to go on an exchange must be shown as a "retirement". The date of the retirement is the day following the last day on which the pupil attended his or her home school.
- The pupil admitted to the school must be enrolled as a regular "external admission", and is considered to be a pupil of the board for the duration of his or her stay at the Ontario school.

However, where the duration of an educational exchange program is a period of five months or less and each side of the exchange occurs within the same school year, the school principal, at his or her discretion, may have the pupils recorded as follows:

- The pupil leaving the school to go on the exchange remains in the register for the duration of the exchange.
- The pupil admitted to the school is *not* entered into the register for the duration of the exchange. This pupil must not be charged a tuition fee.

The criteria for reciprocal educational exchange programs are outlined in the ministry's memorandum "Educational Exchange Programs" (No. SB7, April 23, 2004). It is recommended that the principal consult with board staff regarding the requirements outlined in this memorandum.

Programs for Expelled Pupils

Record the enrolment of a pupil who is participating in a program for expelled pupils as “full-time” in the enrolment register.

Record the attendance of a pupil who is participating in a program for expelled pupils in the same way as the attendance of pupils in regular classroom programs.

If a pupil does not complete the program requirements and is to be retired from the register, follow the instructions for recording retirements that are given under “Transfer and Retirement” (page 14). Participation in these programs is voluntary. Referral of absenteeism to a school attendance counsellor is not required.

Pupils in Care and Treatment or Correctional Programs, Hospital Board Schools, or Provincial or Demonstration Schools

Pupils enrolled in care and treatment or correctional programs, in schools operated by hospital boards (section 68 school authorities), in Provincial Schools for the deaf, blind, and deaf-blind, or in Demonstration Schools must not be included in the register for the period of time, including transition periods, that they are attending these programs/schools. Pupils admitted to these programs/schools, in accordance with ministry guidelines, are those who cannot attend the local school of the board on a regular basis because of their need for the services provided by these programs/schools.

Dual Credit Courses

The FTE for a pupil taking dual credit courses that are based on advanced standing agreements or delivered through team teaching must be calculated on the same basis as the FTE for a pupil taking regular classroom credit courses.

Where dual credits are based on a college course delivered by a college professor or instructor, the FTE for a pupil will be determined on the basis of the number of secondary school credits that the pupil has the potential to earn through the college course. See under “Home Instruction” on page 20 for details regarding the calculation of FTEs for pupils taking these dual credit courses.

Record pupil enrolment and FTEs in the register in the appropriate Enrolment Details records and Enrolment Summaries. Record the attendance of pupils who are taking a dual credit course in the same way as the attendance of pupils who are taking a regular classroom course.

COMPLETING THE SUMMARIES

Attendance Summaries

For each month, ensure that the computerized system has entered the number of times each pupil was late and the days he or she was absent, as well as the cumulative times late and days absent, in the Daily Attendance Record. At the end of the year, ensure that the system has entered the total number of times late and days absent under “Year Totals”.

“G” days, “PA” days, and “N” days must not also be counted as days of absence.

Enrolment Summaries

The principal will ensure that Enrolment Details, Monthly Enrolment Summaries (for full-time and half-time pupils), and Enrolment Summaries (for part-time pupils) are reviewed for accuracy at the end of each month. The principal will also certify on a printout that the Monthly Enrolment Summaries are accurate for the October and March enrolment-count dates.

Enrolment Details, Monthly Enrolment Summaries (for full-time and half-time pupils), and Enrolment Summaries (for part-time pupils) must be printed out at the end of the school year, certified by the principal, and retained for audit purposes.

Samples of Enrolment Details records, Monthly Enrolment Summaries, and Enrolment Summaries are provided in Appendix A.

Enrolment Details records for full-time, half-time, and part-time pupils must show the name, gender, Ontario Education Number, and grade of the pupils and the dates of admission, transfer, and retirement to date. Pupils who are not pupils of the board must be indicated with “OP” in the “OP” (“Other pupils”) column, and the person or organization responsible for payment of fees must be identified. Adult pupils will be identified with an “A”.

Separate Enrolment Details and Monthly Enrolment Summaries (or Enrolment Summaries for part-time pupils) must be printed out for *each* of the groups of pupils indicated in the chart on page 24.

	Elementary	Secondary
Full-Time Pupils	<ul style="list-style-type: none"> • Grades 1 to 3* • Grades 4 to 8* • age-appropriate Grade 1, but enrolled in Kindergarten or Junior Kindergarten 	<ul style="list-style-type: none"> • Grades 9 to 12, under age 21 on December 31, 2011 • Grades 9 to 12, age 21 or over on December 31, 2011

Part-Time Pupils	<ul style="list-style-type: none"> • Junior Kindergarten <i>and</i> Kindergarten • Grades 1 to 8 	<ul style="list-style-type: none"> • Grades 9 to 12, under age 21 on December 31, 2011 • Grades 9 to 12, age 21 or over on December 31, 2011
<p>*Note that internal transfers during the school year between Junior Kindergarten and Kindergarten and between Grades 3 and 4 must be indicated in Enrolment Details and the Monthly Enrolment Summaries.</p>		

Monthly Enrolment Summaries for full-time and half-time pupils must show the total number of admissions, transfers, and retirements for each month. Begin with a “nil” enrolment in September. To calculate the net enrolment for September, take the sum of the admissions and subtract the sum of the transfers and retirements. To calculate the net enrolment for all subsequent months, take the enrolment for the last school day of the previous month, add the sum of the admissions for the current month, and subtract the sum of the transfers and retirements for the current month. All changes in enrolment during the month must be reflected in the Monthly Enrolment Summaries. For October and March, enter the net enrolment on the last school day of the month, the total number of pupils of the board, and the total number of other pupils at the bottom of the Monthly Enrolment Summaries.

Enrolment Summaries for part-time pupils must show full-time equivalency (FTE) data for pupils for the months of October and March.
