

Private Career College Checklist for Students

The [PCC is registered](#) under the *Private Career Colleges Act, 2005*.

The [program is approved](#) under the *Private Career Colleges Act, 2005*.

Note: if you enrol in an unregistered college or a program that has not been approved under the Act, you will not be covered by the protections provided by the government.

The program will help you achieve your career goals.

The program and the private career college are recognized by employers or other educational institutions.

You (or someone you know and trust) have visited the college to see the facilities and equipment.

You know the total cost of enrolling in the program, including the application fee, tuition, books, equipment, transportation, and room and board.

The length of time for the program is the same as the duration shown on the [ServiceOntario website](#).

You meet the admission requirements for the program.

You have read the [Statement of Students' Rights and Responsibilities](#).

Both you and a representative of the college have signed an [enrolment contract](#).
