

LNS resources can be used in a variety of ways ...

“The materials are structured so that you can tap into sections and clarify points for discussion at learning team meetings.”

“The videos show teachers and students in interaction – a great opportunity to see the key features of effective instruction in action at the classroom level.”

“I reformat LNS materials to create hands-on teacher workbooks that staff can take away for further reference.”

Literacy and Numeracy Secretariat ...

Helping students make connections, think more deeply and achieve a solid foundation in reading, writing and mathematics.

- ▶ keep you up to date in your professional reading
- ▶ introduce you to what research says about effective practice
- ▶ provide the latest teaching tips

How to Access LNS Resources

The LNS Mailing Package

- introduces you to specially designed resources to support improved instruction, JK to 6
- includes sample print and multimedia resources
- is sent two times a year (fall and spring) to schools, school districts and stakeholder organizations in the Ontario public education system

For a complete list of LNS resources visit <http://www.edu.gov.on.ca/eng/literacynumeracy/publications.html>

We invite everybody with an interest in improving student achievement to copy, post, and duplicate LNS resources!

LNS Resources ... Print, Multimedia and Online

All LNS resources are available online in PDF and in a wide range of video formats.

1 What Works: Research into Practice

Concise research summaries designed to help practitioners put the best, evidence-tested ideas into practice at the school and classroom level.

Available in PDF at

<http://www.edu.gov.on.ca/eng/literacynumeracy/inspire/research/whatWorks.html>

2 Capacity Building Series

State of the art summaries of today's most powerful educational strategies designed to get the conversation going at your school about how to improve student learning and achievement.

Available in PDF at

<http://www.edu.gov.on.ca/eng/literacynumeracy/inspire/research/capacityBuilding.html>

3 Webcasts for Educators

Multimedia resources exploring research and effective practice to support both individual and small group study.

Available in a variety of downloadable formats at

http://www.curriculum.org/secretariat/literacy_en.shtml

4 Inspire: The Journal of Literacy and Numeracy for Ontario

Online home to “New Leader” and other highly practical articles on successful practices in literacy and numeracy.

Available in PDF at

<http://www.edu.gov.on.ca/eng/literacynumeracy/inspire/index.html>

You can also order What Works, the Capacity Building Series and Webcasts for Educators (in multimedia packages) from ServiceOntario.

Make sure you log in first, using your board or school username and password.

Contact webpubont-EDU@ontario.ca.

Or call 1-800-668-9938 or 416-326-5300.

Quantities are limited.
