

Parents Reaching Out (PRO) Grants for Regional/Provincial Projects 2016-17

Organization Name	Project Title	Project Description	Amount
Association Francophone de Parents d'Enfants Dyslexiques ou ayant tout autre trouble d'apprentissage (AFPED+)	Understanding Learning Disabilities and Mental Health to Better Support Children at Risk	The Association Francophone de Parents d'Enfants Dyslexiques will organize a series of conferences and training to equip parents of children with learning disabilities with the knowledge and skills to support their children, and work more effectively with school staff and stakeholders.	\$ 10,000
Canadian Parents for French (Ontario)	Bringing Technology from the Classroom to Parents	Canadian Parents for French will develop and deliver webinars for parents in school communities across the province on topics of homework help, experiential learning, French as a Second Language (FSL), and succeeding in grade 12.	\$ 10,000
Conseil des écoles catholiques du Centre-Est - comite de participation des parents	Family Involvement	The Parent Involvement Committee of Conseil des écoles catholiques du Centre-est will organize a forum and deliver workshops on parent engagement. These events will foster the creation of parent volunteer networks.	\$ 10,000
Conseil scolaire catholique Providence	Parents of the 21st Century	Conseil scolaire catholique Providence will hold sessions for parents to raise awareness of digital citizenship, social media, and internet use and safety.	\$ 10,000
Conseil scolaire de district du Grand Nord de l'Ontario - comite de participation des parents	Explo! - A Conference for Families on Resilience	The Parent Involvement Committee of Conseil scolaire de district du Grand Nord de l'Ontario will organize a conference and hold workshops to bolster the resilience of youth and parents by exploring the cognitive, emotional, social and physical elements of well-being. Parents will be provided with strategies for adopting a holistic approach in encouraging and supporting the well-being of their children. This will also provide parents with an opportunity to increase communication between the school, the home and the community, and to develop relationships with other parents.	\$ 10,000
Conseil scolaire public du Nord-Est de l'Ontario	Symposium on Parental Involvement	Conseil scolaire public du Nord-Est de l'Ontario will organize a conference for parents to discuss, share, collaborate and become more actively involved in the well-being and success of their children. Through workshops, parents will receive the necessary information, tools and resources to support them in encouraging the academic success of their children.	\$ 10,000

Parents Reaching Out (PRO) Grants for Regional/Provincial Projects 2016-17

Organization Name	Project Title	Project Description	Amount
CSDC de l'Est ontarien	Building a Foundation for Our Children's Future	Conseil scolaire catholique de l'Est ontarien will organize a conference for parents and those who work in early childhood development to offer effective strategies and mechanisms for learning and development in young children through positive relationships. The project's main objective is to nourish healthy and positive relationships between children, families, school teams and community partners, and to create and develop links between parents, schools and community partners.	\$ 10,000
CSDC de l'Est ontarien	Supporting Your Child in the Digital Age	Conseil scolaire catholique de l'Est ontarien will host workshops to teach families and their children about contemporary tools of the digital age. An accompanying program of interactive family activities focused on a variety of ministry and school initiatives (e.g., admissions policy, intake and student support, aménagement linguistique) will be presented to parents during the workshops.	\$ 10,000
Parents partenaires en éducation	Francophone Vitality	Parents partenaires en éducation (PPE) will develop networking opportunities for schools, parents and communities to foster parent and family involvement and create a proud and welcoming community. PPE will continue to build on their work to provide opportunities for parents and communities to have experiences in French, and to support ideas on ways to involve parent groups and bring people together from the community.	\$ 15,000
