Working Together for Public Confidence in Education

- Thank you for input
- Three key goals and improvements so far
 - Improve student achievement
 - Reduce gaps
 - Enhance public confidence
- Challenges of Ministry
 - Greater coherence
 - Better coordination of schedules, initiatives, reporting

Coming Year

- Continued focus on goals
 - Many good practices in boards to support and extend
- Manage other issues
- Build partnership
- Good public communication

Discussion Questions

- What are key challenges for boards in enhancing public confidence?
- What are opportunities for Ministry and boards to work together more closely?
