RE: Policy/Program Memorandum 154 Revised

The enclosed Policy/Program Memorandum 154 provides direction to school boards and schools concerning policies related to Letters of Permission for positions designated as requiring a Registered Early Childhood Educator. The PPM, based on regulations (PPM 154) enacted in 2010, has been updated to reflect that we are moving into the third year of full-day kindergarten roll-out. Specifically, the PPM has been revised to reflect requirements governing applications for letters of permission over multiple years, as well as changes to job posting requirements. The application process for letters will also be moving online.

The PPM is posted on the ministry website at www.edu.gov.on.ca.

If you have any questions, please contact the ministry office in your region. A list of Regional Offices is attached.
