SUBJECT: Reporting Resource for School Bus Drivers

I am writing to let you know that the Ministry of Education has developed the attached resource to assist school bus drivers in understanding their reporting obligations under Bill 157, which, as you are aware, came into effect on February 1, 2010.

Please distribute this resource to school bus drivers, the transportation companies that employ the bus drivers, as well as to the unions that represent the bus drivers.

This resource is in addition to the training DVD that was distributed in January to all boards. If you have any questions please contact Anusha Tikaram at 416-314-4807.
