MEMORANDUM TO: Directors of Education
Supervisory Officers and Secretary-Treasurers of School Authorities

FROM: Ruth Flynn
Director
Inclusive Education Branch

DATE: May 30, 2014

SUBJECT: Equity and Inclusive Education (EIE) Implementation Networks

Thank you for work to effectively implement the Equity and Inclusive Education (EIE) Strategy to support student achievement and well-being across your board.

As announced in the March 27, 2014 B-Memo, funding of $125,000 will be provided to each of the seven EIE Implementation Networks in 2014-15. Each year, we invite school boards within each network to express interest in being or continuing to be an EIE Network lead or co-lead board.

Funding will be provided through a Transfer Payment Agreement (TPA) with each EIE Implementation Network Lead (or Co-lead) board. Funding is to be spent in accordance with the terms and conditions outlined in the TPA and in accordance with the Ministry of Education’s criteria and other directives (e.g. Travel, Meal and Hospitality Directive). Funding cannot be used for the hiring of school board staff.

Please contact your Regional Office lead by June 13, 2014 to indicate your interest (contact list is attached) and if you have any questions.

Each EIE Implementation Network will submit an interim report to the Ministry by January 23, 2015 and a final report by August 28, 2015 to outline its achievements.

Thank you again for your work.

Sincerely,

Original signed by
