SUBJECT: Teacher Learning and Leadership Program (TLLP) Information Document

I am pleased to provide you with two copies of the revised TLLP Information Document that is intended to provide teachers in your school with an “at-a-glance” view of the program as well as examples of successful applications. The document is also available electronically on the TLLP website at http://www.edu.gov.on.ca/eng/teacher/tllp.html.

The TLLP is an annual project-based professional learning opportunity for experienced classroom teachers. The program funds proposals from classroom teachers who wish to enhance and/or share their classroom expertise with colleagues. The goal of the program is to provide an opportunity for teachers to engage in advanced professional learning of their choice and to share their learning with other teachers across the province.

The enclosed document will help inform your staff about the TLLP and encourage interested teachers to submit proposals. We encourage you to share this document with potential applicants in your school. Applications for the 2010-2011 TLLP will be available online early in October 2009.

The Ministry of Education is committed to supporting teachers as they continue to extend their learning and share their expertise for the broader benefit of Ontario’s students.

Sincerely,

Paul Anthony  
Director  
Teaching Policy and Standards Branch
