Source: As reported in September/October Board Report, 2002-2003 through 2004-2005.
 As reported in the Ontario School Information System (OnSIS), 2005-2006 through 2009-2010.
 Data for academic years 2002-2003 through 2003-2004 has been revised based on changes provided by boards.
 Data based on September/October Board Report reported for the previous school year for academic years 2002-2003 through 2004-2005, i.e., October Board Report 2005 for school year 2004-2005.
 Data from the 2008-2009 academic year onwards is not strictly comparable to previous years due to a change in methodology.
