WHEN YOU’RE WASHING YOUR CAR IN
THE DRIVeway, REMEMBER YOU’RE
NOT JUST WASHING YOUR CAR
IN THE DRIVeway.

WATeR QUAlITY CONSOrTIUM
RAINWATER ONLY
Project WET's “Sum of the Parts”

Your group is given a piece of waterfront property -- and 400 million dollars! -- to build whatever you want. (15-20 minutes)

Ideas:
- Your ideal vacation destination
- Your ideal business
- A place for you and all of your friends and family to live
- The area you live now or the area you grew up in

Remember to include necessary infrastructure such as roads, sidewalks and parking lots.

The Yellow Fish Road™ Program

Trout Unlimited Canada's Yellow Fish Road™ Program is a nation-wide environmental education initiative. Since 1991, thousands of Canadians have learned about water pollution and the impact it has on the health of the local waterbody.

You too, can make a difference in your community's water quality with this fun environmental action project!
